CHM College, Ulhasnagar | University of Mumbai
Graduated: 2026
Overall CGPA: 6.87 | Final semester SGPA: 8.80

HSC: 70.80% | SSC: 59.33%

LANGUAGES

English | Hindi | Marathi

PROFESSIONAL SUMMARY

B.Sc. Information Technology graduate and entry-level frontend developer with hands-on project experience building responsive web applications using React.js, Next.js, JavaScript, HTML, CSS, and Tailwind CSS. Familiar with REST API integration, Redux Toolkit state management, authentication, protected routes, CRUD operations, and deployment. Seeking a frontend developer internship or junior frontend developer role.

PROJECTS

E-Commerce Store | Next.js

Tech: Next.js, JavaScript, Tailwind CSS, Redux Toolkit, REST APIs, Axios, JWT, Cookies
Live demo: my-e-commerceshop.vercel.app

- Built a responsive e-commerce application with product listings, category browsing, search, and product-detail pages.
- Developed cart, wishlist, checkout, and profile modules; used Redux Toolkit to manage shared application state.
- Integrated REST APIs for product data and authentication using Fetch API/Axios.
- Implemented JWT-based authentication, cookies, middleware, and protected routes; built an admin dashboard with CRUD operations and deployed to Vercel.

Fashion E-Commerce Frontend

Tech: Next.js, Tailwind CSS, Redux Toolkit, DummyJSON API
Live demo: fashion-app-swart.vercel.app

- Developed a responsive fashion e-commerce storefront using Next.js and Tailwind CSS.
- Integrated product data from DummyJSON API and used Redux Toolkit to manage shared state.

EduTrack | College Management Web Application

Tech: HTML, CSS, Bootstrap, JavaScript

- Built a responsive college-management interface using HTML, CSS, Bootstrap, and JavaScript.
- Organized key student resources including timetables, assignments, and notes.
